

## Refund policy

----

Coverage is provided in 30 day intervals billed on the 20<sup>th</sup> of each month unless the coverage chosen is before the 20<sup>th</sup> of the month and will be effective within the same month in which case it will be billed to day it is selected.

To be eligible for a refund, the cancellation must occur before the first of the month for which the interval has been charged. As an example, if you have been charged on the 20<sup>th</sup> of August for the month of September you may cancel the coverage and receive a refund from August 20<sup>th</sup> through August 31<sup>st</sup>. If you cancelled the same coverage on September 1<sup>st</sup> you would not be eligible for a refund.
